Student Council

High School Student Council

Once again this year, the Student Council was responsible for planning many activities for Homecoming week. This year there were some additions to Super Class Night.

Super Class Night was preceded by the first annual powder puff football game. Two new events were also added, the tractor tube race and the plunger relays.

With the guidance of Mr. Cooley, the new principal, the Student Council helped revise the handbook. The organization also planned an afternoon of movie watching before Christmas break.

The Student Council held monthly meetings to provide leadership for the student body.

Middle School Student Council

The OAMS Student Council is primarily responsible for planning the quarter holiday activities. Quarter holiday is a privilege given to the students after each quarter is complete. This year OAMS went to Ida Grove to go roller skating. Other times, it consists of open gym, computer games, pop, candy, and movies.

The OAMS Student Council meets during lunch break about once a month or as needed to discuss issues and plan events for the student body.

National Honor Society

The National Honor Society volunteered their service at the Red Cross in Sioux City on October 21. The group aided in the Red Cross's "Holiday Campaign." Some were involved with hands-on work and clerical work.

Another volunteer service that the NHS assists with each year is the Adopt-A-Highway clean-up. The organization's members took part in this project on September 18 and May 14.

In addition to the volunteer service, the National Honor Society operates the concession stand as a fundraiser. The NHS donated money from the proceeds to the high school library for the purchases of *The Cancer Encyclopedia* and a CD entitled *The Bookshelf*.

The new National Honor Society members who were inducted at the tapping ceremony are Michelle Walsh, Angie Schroeder, Katie Thayer, Bryanne Veit, Gretchen Barker, Tracy Babcock, Ramie Uren, Jeanette Paulson, Heather Hansen, Annie Pudenz, Carrie Drake, Megan Auen, Jill Lindskoog, David Leege, Jonathon Siebrecht, Aaron Schmidt, Paul Bloyer, Keith Wulf, Mitch Hoefling, and Tyler Hogue.

The NHS breakfast was held in May to induct new officers and to show appreciation to the teachers.

The 1996-1997 officers were President: Gayle Sykes; Vice President: Seth Profit; Treasurer: Kyle Hustedt; Secretary: Jenna Hogue.

Trojan Triumph

The Trojan Triumph diligently spent the year writing, editing, and preparing articles for the Trojan Triumph. The staff, which consisted of two experienced seniors and a sophomore, was responsible for organizing each week's paper. The duties included writing, typing and organizing, and editing the articles, along with meeting each weekly deadline.

Those staff members involved in the production of 1996-1997 Trojan Triumph were Jill Campbell, Joann Paulson, and Jeanette Paulson. Joann and Jeanette wrote the articles, and Jill prepared the Senior Scope.

They then performed at the Christmas Concert, Swing Show, Fine Arts Concert, and the State Large-Group Contest. The Pep Band also kept very busy by providing entertainment at several home basketball games. They also performed a special concert for the residents of the Colonial Manor and once again marched in the Orange City Tulip Festival. The year was concluded with performing at Graduation, Memorial Day, and marching in the Oddebolt Creek Days parade.

1996 Odebolt-Arthur Trojanette Softball

The season began with high hopes with a good blend of seniors and underclassmen; however, injuries and sickness hurt us all season. The Trojanettes worked hard and never gave up. The biggest highlight of the season was finishing 6th in the conference tournament. The team steadily improved through the season and will have many good players back next year. Paige Thraifkill was selected as 1st Team All-Conference Utility, and Marla Mason was recognized as Honorable Mention All-Conference. The Nettes finished with an overall record of 8-18 and a conference record of 3-8. The Junior Varsity ended the softball season with a mark of 8-10.

They finished the year with an overall record of 13-7 and a conference record of 8-3 which left them only one game out of first place. They also had some recognition in the All-Conference voting. Jim Fineran was named to the First Team as a first baseman. Second team, All-Conference honors went to Seth Profit as a catcher and to Jared Arbegast as a pitcher. Honorable Mention went to Clint Profit at centerfield.

M.S. Volleyball

The 7th and 8th grade volleyball squads finished the 1996 season in style. The "nettes" rolled over most of their opposition in great style, and they showed improvement in all skill levels of the game.

The 8th grade team is very talented and should be able to contribute at the high school level. The squad is capable of making an impact in the future O-A volleyball program. The 8th graders finished their middle school career with an impressive record and a 7-1 record during the 1995 volleyball season. The coaches would like to congratulate the members of the team on a fine season.

The 7th grade Trojanettes completed an outstanding season with a record of 8-0. The squad improved on offensive and defensive aspects and fundamentals of volleyball. The volleyball coaches would like to salute these young ladies with a job well done, and they look forward to next season with optimism and confidence.

The two teams dominated the courts. One reason that provided an advantage was the number of participants in each grade. The teams worked hard in practices, and the result was very rewarding.

Thanks, Mr. Miller, It's Been a Great 34 Years!

Thirty-four years ago Rodger Miller was hired to teach social studies and coach football at O-A. He was also the first wrestling coach at Odebolt-Arthur. He has had tremendous pride in this district, making things work for the school and the people of Odebolt and Arthur.

So what do people remember about Rodger his years in the Odebolt-Arthur system?

Dale Wulf (O-A Board Member)

"He was always Coach." He always made you feel special and you wanted to do everything he asked. Mr. Miller was always positive, he encouraged us to do our best. As a parent I felt he was on the side of the kids, even if that student was in the office being disciplined by Rodger."

Steve Walsh (Middle School Staff)

"Mr. Miller is the middle school. Every piece of the middle school was put there by Mr. Miller—even the junk."

Pat Reis (O-A Board Member)

"Everyone respected him; we wanted to do what he asked. We always felt he was honest and respectful of us, also. As far as wrestling is concerned, he taught me two moves and then convinced me that I could win; it was a great feeling."

Cinda Bettin (O-A Parent)

"He just understands kids, he understands that all kids are different and that is okay. But most importantly, he makes the kids and the parents feel good about that."
